- c) Parties shall have **ten (10) days after service** of opposition's final witness and/or exhibit list to file objections under Rule 26(a)(3)

OTHER RELEVANT MATTERS:

No depositions may be scheduled to occur after the discovery deadline. All motions, written discovery, or other filings that require a response must be filed sufficiently in advance of the discovery deadline so as to enable opposing counsel to respond by the time permitted by the Rules prior to that date.

Motions to compel discovery are to be filed and served by the discovery deadline or within thirty (30) days of the default or the service of the response, answer, or objection if the default occurs within thirty (30) days of the discovery deadline, unless the time for filing of such motion is extended for good cause shown, or the objection to the default, response, answer, or objection shall be waived.

The parties are reminded that, pursuant to Local Rule 11(a)(1)(A), all motions, except motions pursuant to Fed.R.Civ.P. 12, 56, 59, and 60, must be accompanied by a proposed order. The opposing party on any motion may file a response. Neither party may file an additional reply, however, without leave of the court. If a party believes that a reply is necessary, it must file a motion for leave to file a reply accompanied by a memorandum setting forth the reasons for which a reply is required.

This case is set for JURY TRIAL and is expected to last 3 days. The district judge will set the trial date, pretrial conference date, and deadline for pretrial order. The attorneys will determine if the case is appropriate for ADR and will report to the Court within one (1) week after the close of discovery.

The parties have not consented to trial before the magistrate judge.

This Scheduling Order has been entered after consultation with trial counsel pursuant to notice. Absent good cause shown, the scheduling dates set by this Order will not be modified or extended.

IT IS SO ORDERED.
